[Aging at Home GRANTS Available!](#)

HAP is pleased to announce the launch of our Aging at Home Initiative. HAP's Aging at Home Initiative is an effort to support people who plan to grow old in their homes and stay active in their communities. This is enhanced by community-led efforts that coordinate innovative services, products, activities, and technologies to encourage safe, happy, and affordable aging at home. To support Aging at Home community efforts, HAP invites teams in King County to apply for up to \$5,000 to initiate Aging at Home projects to help older adults live longer, healthier lives in their homes and communities. For more information, [click here](#) to view the Aging at Home grant requirements.

Next Meeting: September 28, 2010

The Healthy Aging Partnership meets on the 4th Tuesday of each month (no meeting in December), from 8:30 to 10:00 a.m. at the Paul Allen Conference Room of Senior Services of Seattle-King County (the Lillian Rice Center), 2208 2nd Avenue in the Belltown area of downtown Seattle. The building is on the east side of 2nd Avenue, near the intersection of 2nd and Blanchard. Meter parking is usually available on the street, and there are several pay lots nearby. For information on bus schedules and the ride-free zone, go to www.metrokc.gov and click on Transportation.
